The Hunar Foundation is a professionally managed, non-profit and philanthropic organization set up in 2008 under the Societies Act 1860, Hunar Foundations took its first batch in January 2010 at THF-DMS Technical Institute Karachi.

Hunar Foundation's key objective is to provide school graduates and other young adults with international standard vocational training that meets the expectations of the market, leading to employment or small business creation – and eventually economic freedom and empowerment.

Hunar Foundation offers this opportunity to the underprivileged and marginalized segments of society where the need is more urgent. The facilities are well equipped and the courses designed are recognized to meet industry requirements. This ensures a high degree of employability for Hunar graduates.

METHOD OF UTILIZATION OF ZAKAT:

The organization's financial needs are being covered by zakat that Pakistani individuals throughout the world contribute towards.
